

ATTENTION SPY FANS!

America's favorite Spies can now be found in Sunday newspapers across the country, starring in a new weekly syndicated comic strip (no, not *Hagar the Horrible*, but the appropriately-named *Spy Vs. Spy*)! Distributed by Tribune Media Services, the strip features all-new diabolical adventures written by long-time MAD man Duck Edwing and illustrated in the classic Antonio Prohias style by Dave Manak! To take a peek at an insidious installment, stop scouring the pages of *The New York Times* and look no further than a few inches over!
